“The Caribbean holds a special place in my heart — crystal-clear water, hidden coves, and helping guests discover its magic firsthand.”

Raised in a small town near Dallas–Fort Worth, I grew up on lakes and rivers and competed in wakeboarding at a semi-professional level. That same love of adventure and exploration now drives my career at the helm.

Over the years I've had the privilege of navigating some of the world's most beautiful waters — from the reefs of the Bahamas and the shores of the Caribbean to the rugged coastline of Alaska, and along both coasts of North America.

When I'm not at the helm, you'll find me mountain biking, diving, swimming or hiking. Every voyage with me is about more than smooth sailing — it's about creating memories and embracing the joy of exploration.

THE VOYAGE

Sail the Caribbean in style.

Five nights and six days island-hopping from St. Maarten through the glamour of St. Barths and the pristine beaches of Anguilla.

Champagne welcomes, turquoise anchorages, world-class dining and a private chef throughout — an unhurried Caribbean escape for up to ten guests.
